******************IMPORTANT NOTIFICATION*************************

Currently, the ANN tickler listing is not displaying records that have been closed due to Aid Code change during the program eligibility period in which the Aid Code change was entered. Eg. If the Aid Code was changed on 3/10/03 during program period 12/02/02 to 12/01/03 and a tickler list was generated for 12/1/03 to 12/31/03 the patient WILL NOT display on the list. Please track all Aid code changes manually for annual renewal until the problem has been resolved. Sorry for any inconvenience this might have caused. If you have any questions, please feel free to contact the CMS Net Help Desk.
